

ENVIRONMENTAL POLICY STATEMENT

Hudson Technical Services Ltd considers the environment to have a high priority within the operation of the company and this consideration will be reflected through the resources and commitments made towards protecting the environment.

Hudson Technical Services Ltd are committed to providing a healthy, safe and environmentally friendly workplace both to benefit their employees and to give consideration to all those who directly or indirectly come into contact with the company.

Hudson Technical Services's aim is to minimise its waste products and to recycle those products where it is practical to do so. The segregation of waste will be carried out to ensure maximum re-use. Suppliers will be requested to have facilities for re-using the waste from materials purchased by Hudson Technical Services Ltd and this policy will be actively pursued.

Hudson Technical Services Ltd will keep its employees informed of all relevant environmental issues and will obtain their full co-operation in carrying out the company's policy.

Hudson Technical Services Ltd will meet all its legal requirements in the areas of health and safety and environmental issues.

Signed.
